NOTE: Subcontractors will not be allowed to start construction until a final set of approved drawings and all applicable fees have been paid to the Frederick-Firestone Fire Protection District. Failure to comply with this requirement will result in a Stop Work Order and an additional permit fee.

By submitting this Application, the applicant affirms that all information contained in this application is true and accurate, and that the applicant has full authority to submit this application. The applicant affirms and agrees that the owner, contractor, architect, subcontractors and their employees, agents and representatives, will comply with all requirements of the Fire Code, Building Code, Mechanical Code and any other applicable Codes or standards. The applicant agrees to reimburse the Fire District for all fees (including attorneys' fees) costs and expenses it may incur as a result of a failure of the owner, contractor, architect, subcontractors and their employees, agents and representatives, to comply with all requirements of the Fire Code, Building Code, Mechanical Code and any other applicable Codes or Standards.

Preliminary Development Review Fee

- ❖ The Fire District, at the beginning of each project, will collect an ***Administrative / Development Review Fee of \$300.00***. This fee is for Fire District Staff hours dedicated to planning and engineering meetings, preliminary drawing and plat reviews, and correspondence and consultation related to the project. The fee will be collected at the time of application to the Town of Frederick, the Town of Firestone and projects in Weld County within the Fire District's boundaries and will be applied to the plan review fee at the time of the construction submittal.

The Administrative / Development Review Fee is a non-refundable fee.

- ❖ The Plan Review Fee set forth above is for the initial review of construction documents submitted in support of an application for a construction permit, and where appropriate a site inspection. The Plan Review Fee is based on the overall development square footage. Family Child Care Homes will be assessed an initial review fee of \$80.00. Additional inspections, based on failed initial inspections, shall be calculated at the rate of \$80.00 an hour.

Fire Alarm and Fire Sprinkler Plan Review Fees will be calculated according to the building square footage.

- ❖ Residential Development Reviews – In addition to the Administrative Development Review Fee, residential development reviews will be based on the amount of fire hydrants located in a single family residential project. Fees will be \$100.00 per fire hydrant.
- ❖ Gas and Oil Well Sites will be billed at \$500.00 per well.
