NOTE: Subcontractors will not be allowed to start construction until a final set of approved drawings and all applicable fees have been paid to the Frederick-Firestone Fire Protection District. Failure to comply with this requirement will result in a Stop Work Order and an additional permit fee.

By submitting this Application, the applicant affirms that all information contained in this application is true and accurate, and that the applicant has full authority to submit this application. The applicant affirms and agrees that the owner, contractor, architect, subcontractors and their employees, agents and representatives, will comply with all requirements of the Fire Code, Building Code, Mechanical Code and any other applicable Codes or standards. The applicant agrees to reimburse the Fire District for all fees (including attorneys' fees) costs and expenses it may incur as a result of a failure of the owner, contractor, architect, subcontractors and their employees, agents and representatives, to comply with all requirements of the Fire Code, Building Code, Mechanical Code and any other applicable Codes or Standards.

- ❖ The Plan Review Fee set forth above is for the initial review of construction documents submitted in support of an application for a construction permit, and where appropriate, a site inspection. The Plan Review Fee is based on the overall development square footage.
- ❖ Fire Alarm and Fire Sprinkler Plan Review Fees will be calculated according to the building square footage.
- ❖ Residential Development Reviews – Residential developments will be billed a review fee of \$300.00 for each filing.
- ❖ Gas and oil well sites will be billed at \$500.00 per well.
- ❖ Family Child Care Homes will be assessed an initial review fee of \$83.00.
- ❖ Additional inspections, based on failed initial inspections, shall be calculated at the rate of \$83.00 an hour.
