

FIRE PREVENTION WEEK ANNUAL ART CONTEST

In celebration of Fire Prevention Week 2026, Frederick-Firestone Fire District invites all 4th grade students in our district to participate in our 1st Annual Art Contest!

THE CHALLENGE:

This year's theme is: "Charge Into Fire Safety. Safe Charging is a Superpower!"

We challenge students to create an original piece of artwork that shows how to safely charge devices and batteries at home, school, or anywhere they use technology, tools, and even transportation that uses lithium-ion batteries. Get creative and show us what "Safe Charging is a Superpower" means to you!

IDEAS INCLUDE:

- Charging devices on hard, flat surfaces
- Keeping chargers away from beds, couches, and clutter
- Using the correct charger for your device
- Unplugging damaged chargers
- A superhero teaching safe charging habits
- A family practicing battery and charging safety
- Feels hot? Stop using it
- For tools and rides, charge outside
- Fully charged? Time to unplug

GRAND PRIZE WINNER RECEIVES:

- A ride to school in one of our fire engines!
- Their artwork featured in next month's Frederick-Firestone Fire District newsletter
- A spotlight on our social media pages

ANY ART MEDIUM IS WELCOME!

Students may submit artwork created with:

- Crayons
- Colored pencils
- Markers
- Paint
- Watercolors
- Any other creative art medium
- Pastels
- Mixed media
- Collages
- Digital artwork
- *All art will not be accepted

WHY PARTICIPATE?

Your artwork can help teach our community about fire safety while showing off your creativity. Every great superhero uses their powers to help others, and learning about safe charging habits is a real-life superpower that can help prevent fires!
